The **2023 Script Code MiniGuide** is a comprehensive list of competent script and code resources and sources that are currently available on the Internet. The below list of sources is partially taken from my Subject Tracer™ and white paper titled Script and Code Resources 2022 and is constantly updated with Subject Tracer™ bots at the following URL:

<http://www.ScriptResources.info/>

These resources and sources will help you to discover the many pathways available to you through the Internet to find the latest competent script and code resources and sites.
