

# World Wide Web Reference on the Internet 2017

By

Marcus P. Zillman, M.S., A.M.H.A.  
Executive Director – Virtual Private Library  
[zillman@virtualprivatelibrary.com](mailto:zillman@virtualprivatelibrary.com)

World Wide Web Reference on the Internet 2017 is a comprehensive listing of reference resources and sites about the Internet designed for webmasters and IT professionals. The below list of sources is taken from my Subject Tracer™ Information Blog titled World Wide Web Reference and is constantly updated with Subject Tracer™ bots at the following URL:

<http://www.WWWReference.info/>

These resources and sources will help you to discover the many pathways available through the Internet to find the latest references about the world wide web. As this site is constantly updated it would be to your benefit to bookmark and return to the above URL frequently.

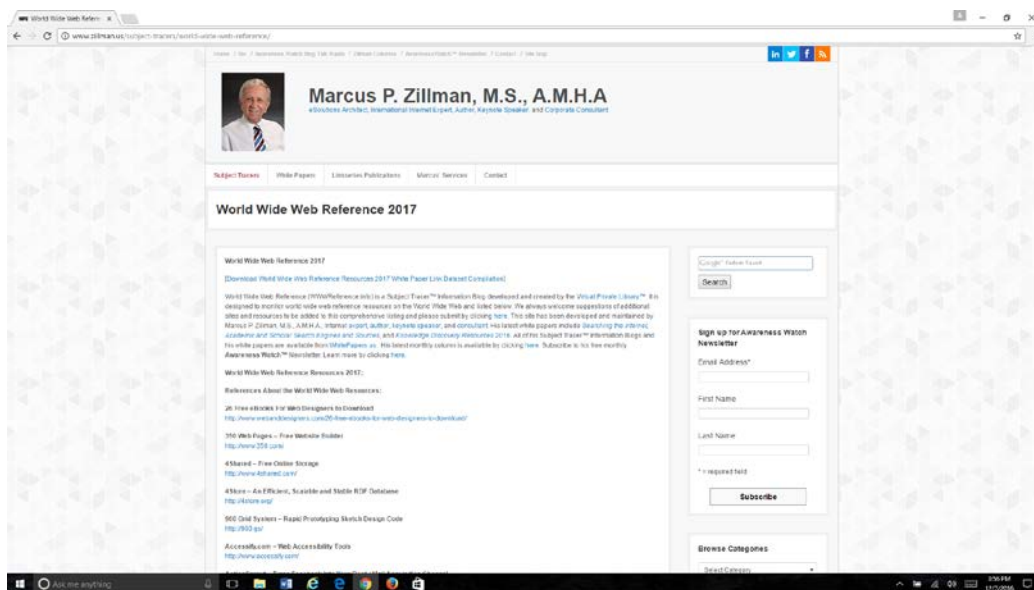

Figure 1: World Wide Web Reference 2017 Subject Tracer™ Information Blog

## **Subject Tracer™ Information Blogs**

Subject Tracer™ Information Blogs created and developed by the Virtual Private Library™ combine the best of the latest tools on the Internet. Using bots, blogs and news aggregators the Subject Tracer™ Information blogs generate RSS feeds with the latest resources to create a current information resource flow through niched subject tracers. I am proud to be the creator of the Internet's first Subject Tracer™ Information Blogs:
